

BUILD YOUR FUTURE

Interested in technology and manufacturing?

Have a high school diploma or GED?

*Looking for **free** training that leads to success?*

Certified Production Technician (CPT) training may be the right path for you.
The CPT program prepares you for high-paying jobs in advanced manufacturing.

JOIN US FOR AN INFORMATION AND REGISTRATION SESSION!

Tuesday, October 4 • 5:15 p.m.

HCC Brandon Campus, BSSB 218

The HCC Brandon Campus will offer CPT training October 10–28, 2016.

MSSC CPT training is coming soon to the HCC SouthShore and Plant City Campuses.

IN JUST THREE WEEKS, YOU CAN:

- Earn an MSSC CPT certification, qualifying you for an entry-level manufacturing position.
- Obtain 15 college credits toward an Engineering Technology degree (\$1,800 value).

No cost. No debt.

For more information, contact Shirley Dobbins, Engineering Technology.

HCC Brandon Campus, 10414 E. Columbus Drive, Tampa, FL 33619
